Dondero High School
709 North Washington
Royal Oak, Michigan

Dondero is concerned with tradition. We take pride in keeping the past alive by encompassing not only the three R's, but also by maintaining the spirit and vitality that projects throughout the community.

Royal Oak Builds A New High School

In the 1920's Royal Oak, was, as it is today, not a suburb, but a city in its own right. Stores, banks, and homes lined the main roads and in 1927 work had begun on a new (city) high school to accommodate the increasing population. The cost for this new building was $925,000 with an additional $35,000 for the swimming pool. There were 65 rooms meant for a student capacity of 1,215.

DONO

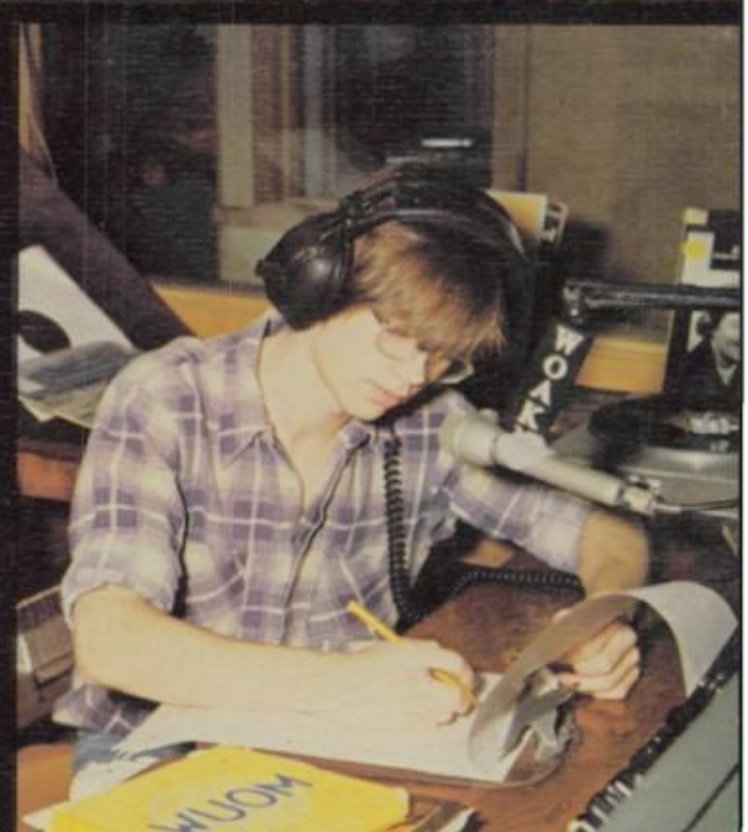
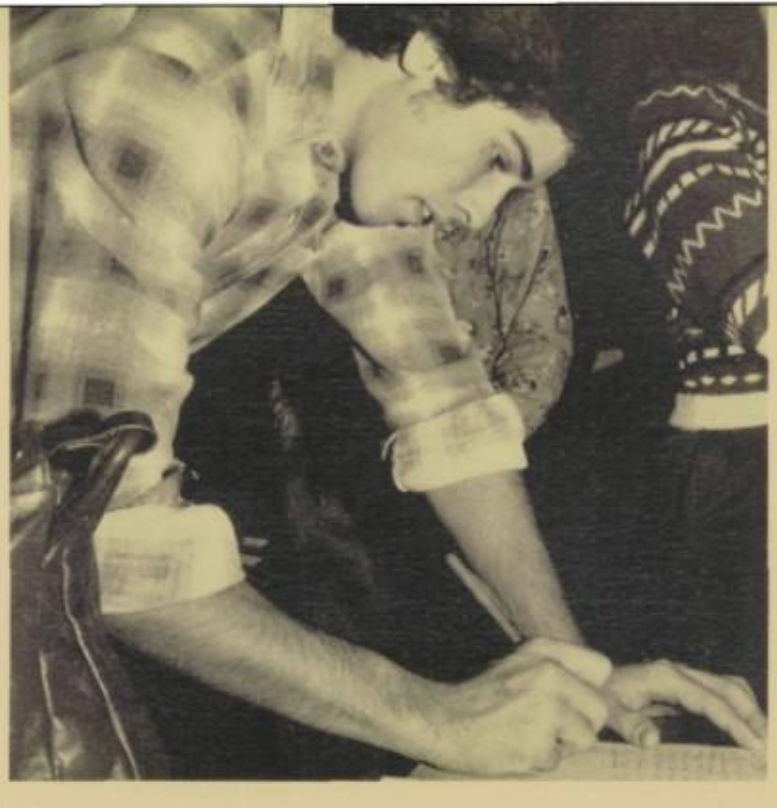
In the life of a school one can expect a certain number of changes. In recent years we have seen new faces come and older ones leave; we have witnessed new facilities and an updated curriculum. But when we compare the years in the entire history of Dondero, we find that this has been the outstanding year of change. It was the first year for an undefeated football team. We added the "Anything You Want to Be" Club to the others. It was the first year for a Homecoming King. Our band altered their marching style, and the school itself will take on a bigger and better frame with renovation.





Today students have the opportunity to become involved in a wide range of courses and activities that could have a direct influence on their future occupations. Politicians, musicians, artists, secretaries, tailors, and film makers are only a few examples of specialized study that can be pursued.

However, schooling is not a final product, but rather a preparation; a life-long process. Over the past fifty years there have been countless expansions and improvements applied to both education and its system. Yet, with all that has been done to better schooling, it is still the key to a life of learning.

The Acorn Is the Best Around!

To celebrate Dondero's and the Acorn's 50 years of existence the Acorn brought out its 50th Anniversary Issue in February! This year's staff of 25 put out 24 pages each issue with the usual high degree of quality. The number of subscriptions doubled and the staff once again defeated WOAK in basketball for the media cup. Amid the fun and frolic of pasteup night, the Acorn ground out another 10 issues.

Debate Team

For the second year in a row the Debate Team took second place in the MSAA League. The winner of this years Most Valuable Debater award was Tim Ryan; the Top Affirmative Speaker trophy went to Theresa Connelly; the Top Negative trophy went to George Krc; and Top Novice was won by Theresa Reno. Matt Barber won the Top Speaker trophy in the Warren Woods League; runner-up was Kim McClaughlin.

Once again the members of the Squad debated in front of English and Social Studies classes. In April, Dondero held its first Speech Assembly at which Debate Trophies were awarded. The Assembly also featured the Winners of the Spring Speech Contest, The Forensics Team, Drama Classes and the winning speech of the VFW Contest by Mona Cocoli.

The Oak Staff Puts Together Memories of Today for Tomorrow

RIGHT: Tim Fournier, Faculty Editor, checks his work one last time.
BELOW: Donna Fallis, Sophomore Editor and Lori Salisz, Junior Editor.

In 1927 the Oak was simply a semi-annual, 80 page paperback that was put out by the Acorn staff. 50 years ago there were 24 seniors pictured opposite their names, quotations, and high school activities.

Years after this, Dondero's yearbook became known throughout the world of photojournalism as the first yearbook ever to employ the gutter shot (a picture that runs into and across the middle of a two page layout).

Last year, in its second year of competition, the Bicentennial Oak took a second place award in the Columbia Scholastic Press Association. As a result of the comments and criticism of the 1976 edition, this year's staff has had the opportunity to experiment with several different techniques.

In 1977 there is a graduating class of over 500 students and the yearbook is nearly 300 pages, each of a diverse and distinctive nature. And still, there is a great deal to be said for the staff and the advisor. A staff that made our foreign exchange student from Switzerland, Chris Blaser, feel immediately at home. A staff that rushed both to meet deadlines and over to McDonalds (to get ads). A staff that could tolerate a tyrant and an advisor that put up with an inexperienced editor. These are the people that compiled the 1977 yearbook and it is only fitting that I congratulate them.

"Genesis", under the steadying hand of advisor Kay Brakeville, took the school by surprise this year when it changed from the Creative Writing Club into a 37 member magazine staff. Their first act was to divide themselves into three task forces: funding; public relations; and an office staff.

Then, late in December and into the new year, they sponsored an art and a writing contest that involved nearly 90 students from all grade levels.

Funds were raised for the creative arts magazine by selling mistletoe, pickle-sicles, and pumpkin and hershey-kiss raffle tickets. This was followed by a garage sale and the first annual 30-hour read-a-thon.

Social activities included evenings at the Fisher Theater, social meetings, roller skating, a Christmas gathering, and two weekend retreats.

"Genesis" has begun an exchange program with other high schools across the country and plans to compete in Columbia University's competition.

Radio station WOAK had a successful year under the supervision of a new faculty member, Mr. Randy Weddle. By working together the WOAK staff and Mr. Weddle attracted a greater range of listeners. This was done by broadcasting tunes which fell into the categories of classical, show tunes, folk, jazz and progressive rock. The station also provided news reports and coverage for school athletic events.

The staff is made up of approximately 35 students who together broadcast an average of eight hours daily. The entire staff is proud of the fact that WOAK has "something for everyone."

Mathematics Can Be Fun!

The Math Department offers a wide variety of classes suited to its students. One aspect of learning involves the use of computers, which can be rented by all Oakland County schools. Students participating in this very popular program have found it to be both challenging and rewarding. Through the use of computers, a wider knowledge of what mathematics is all about is gained.

There are nine teachers who instruct Informal Geometry, Geometry, Pre-Algebra, Algebra, General Math, and Senior Math for approximately 1,350 students. This large number of interested students is proof that mathematics can be fun!

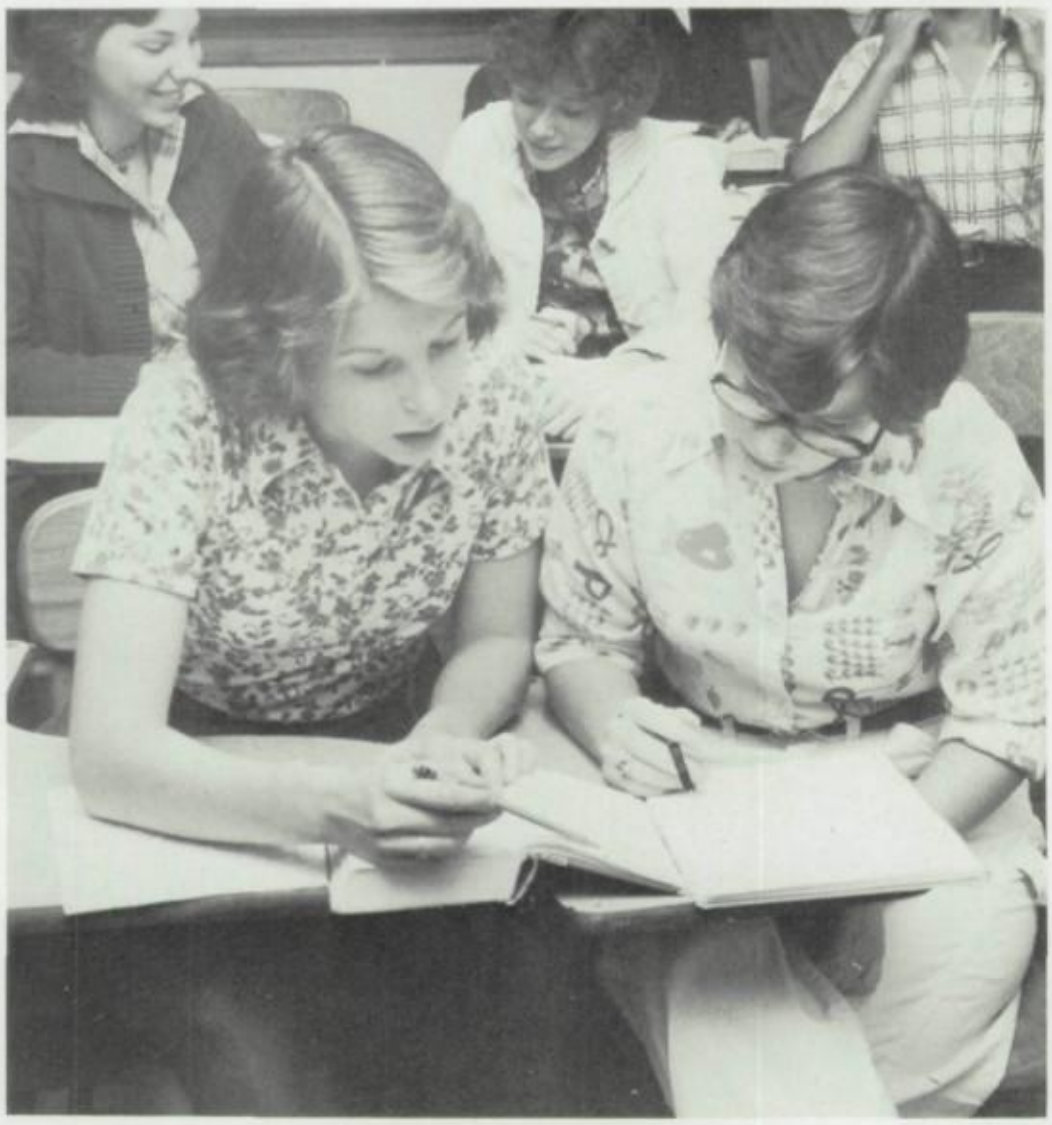
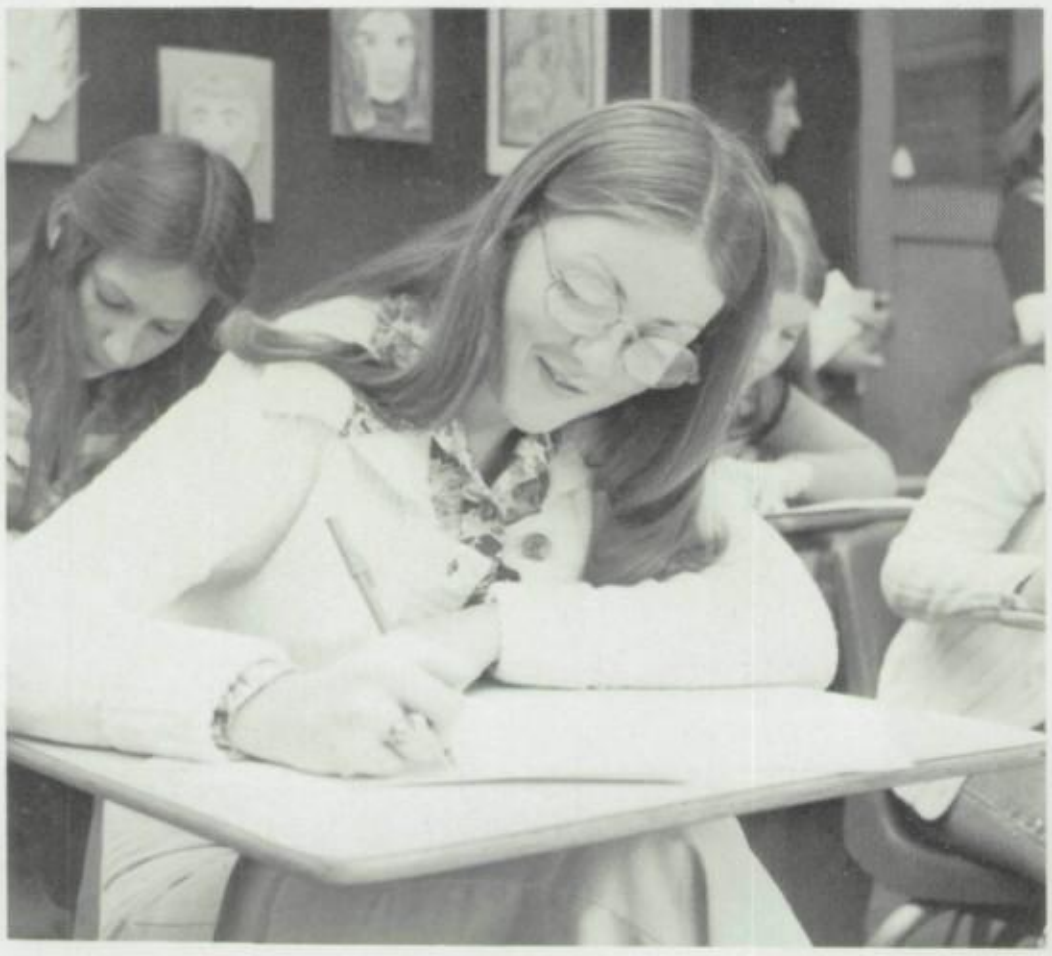
English . . . A Means of Expression



Pointing it out to Nancy Kiernan is Betty Bradford.



Pam Wosnick finds English one of her more enjoyable subjects.

English is the largest department in the entire school. There are 18 teachers involved in a wide variety of English classes for over 1,900 students.

English is of great importance to each of us. This is emphasized by the fact that 3 years of English, including composition, are required to graduate and also because many colleges require it.

The department added a new course called "Communications." The goal of this class is to help each student to develop a more effective method for communicating not only with individuals, but with larger groups that compose our society. Mrs. Bisso, one of the newest faculty members in the school, is the communications teacher.

We Discover Our World . . .

Dondero's Social Studies department has something new! A one year course known as Advanced Placement History. Students participating in this class receive one high school credit and may take an optional test for college credit.

The Social Studies program offers a wide selection of courses to Dondero students. The 15 teachers involved in this department teach such classes as Government, Economics, Psychology, Sociology, Urban Patterns, and a variety of History courses.

Through Social Studies our cultural heritage is passed on, and students are prepared to be better citizens.

The Study of Languages

The Language department has added three new classes to its curriculum! These three one-semester courses are known as "traveler classes" and are taught in French, German, and Spanish. Their purpose is to teach students the basic phrases needed to get along in a foreign country. It is the hope of the Dondero teaching staff that through this type of class students can get more enjoyment from their travels.

The basic German 1-4, French 1-4, and Spanish 1-4 classes are also offered. Advance Placement classes are provided for students in their fourth year of French and German.

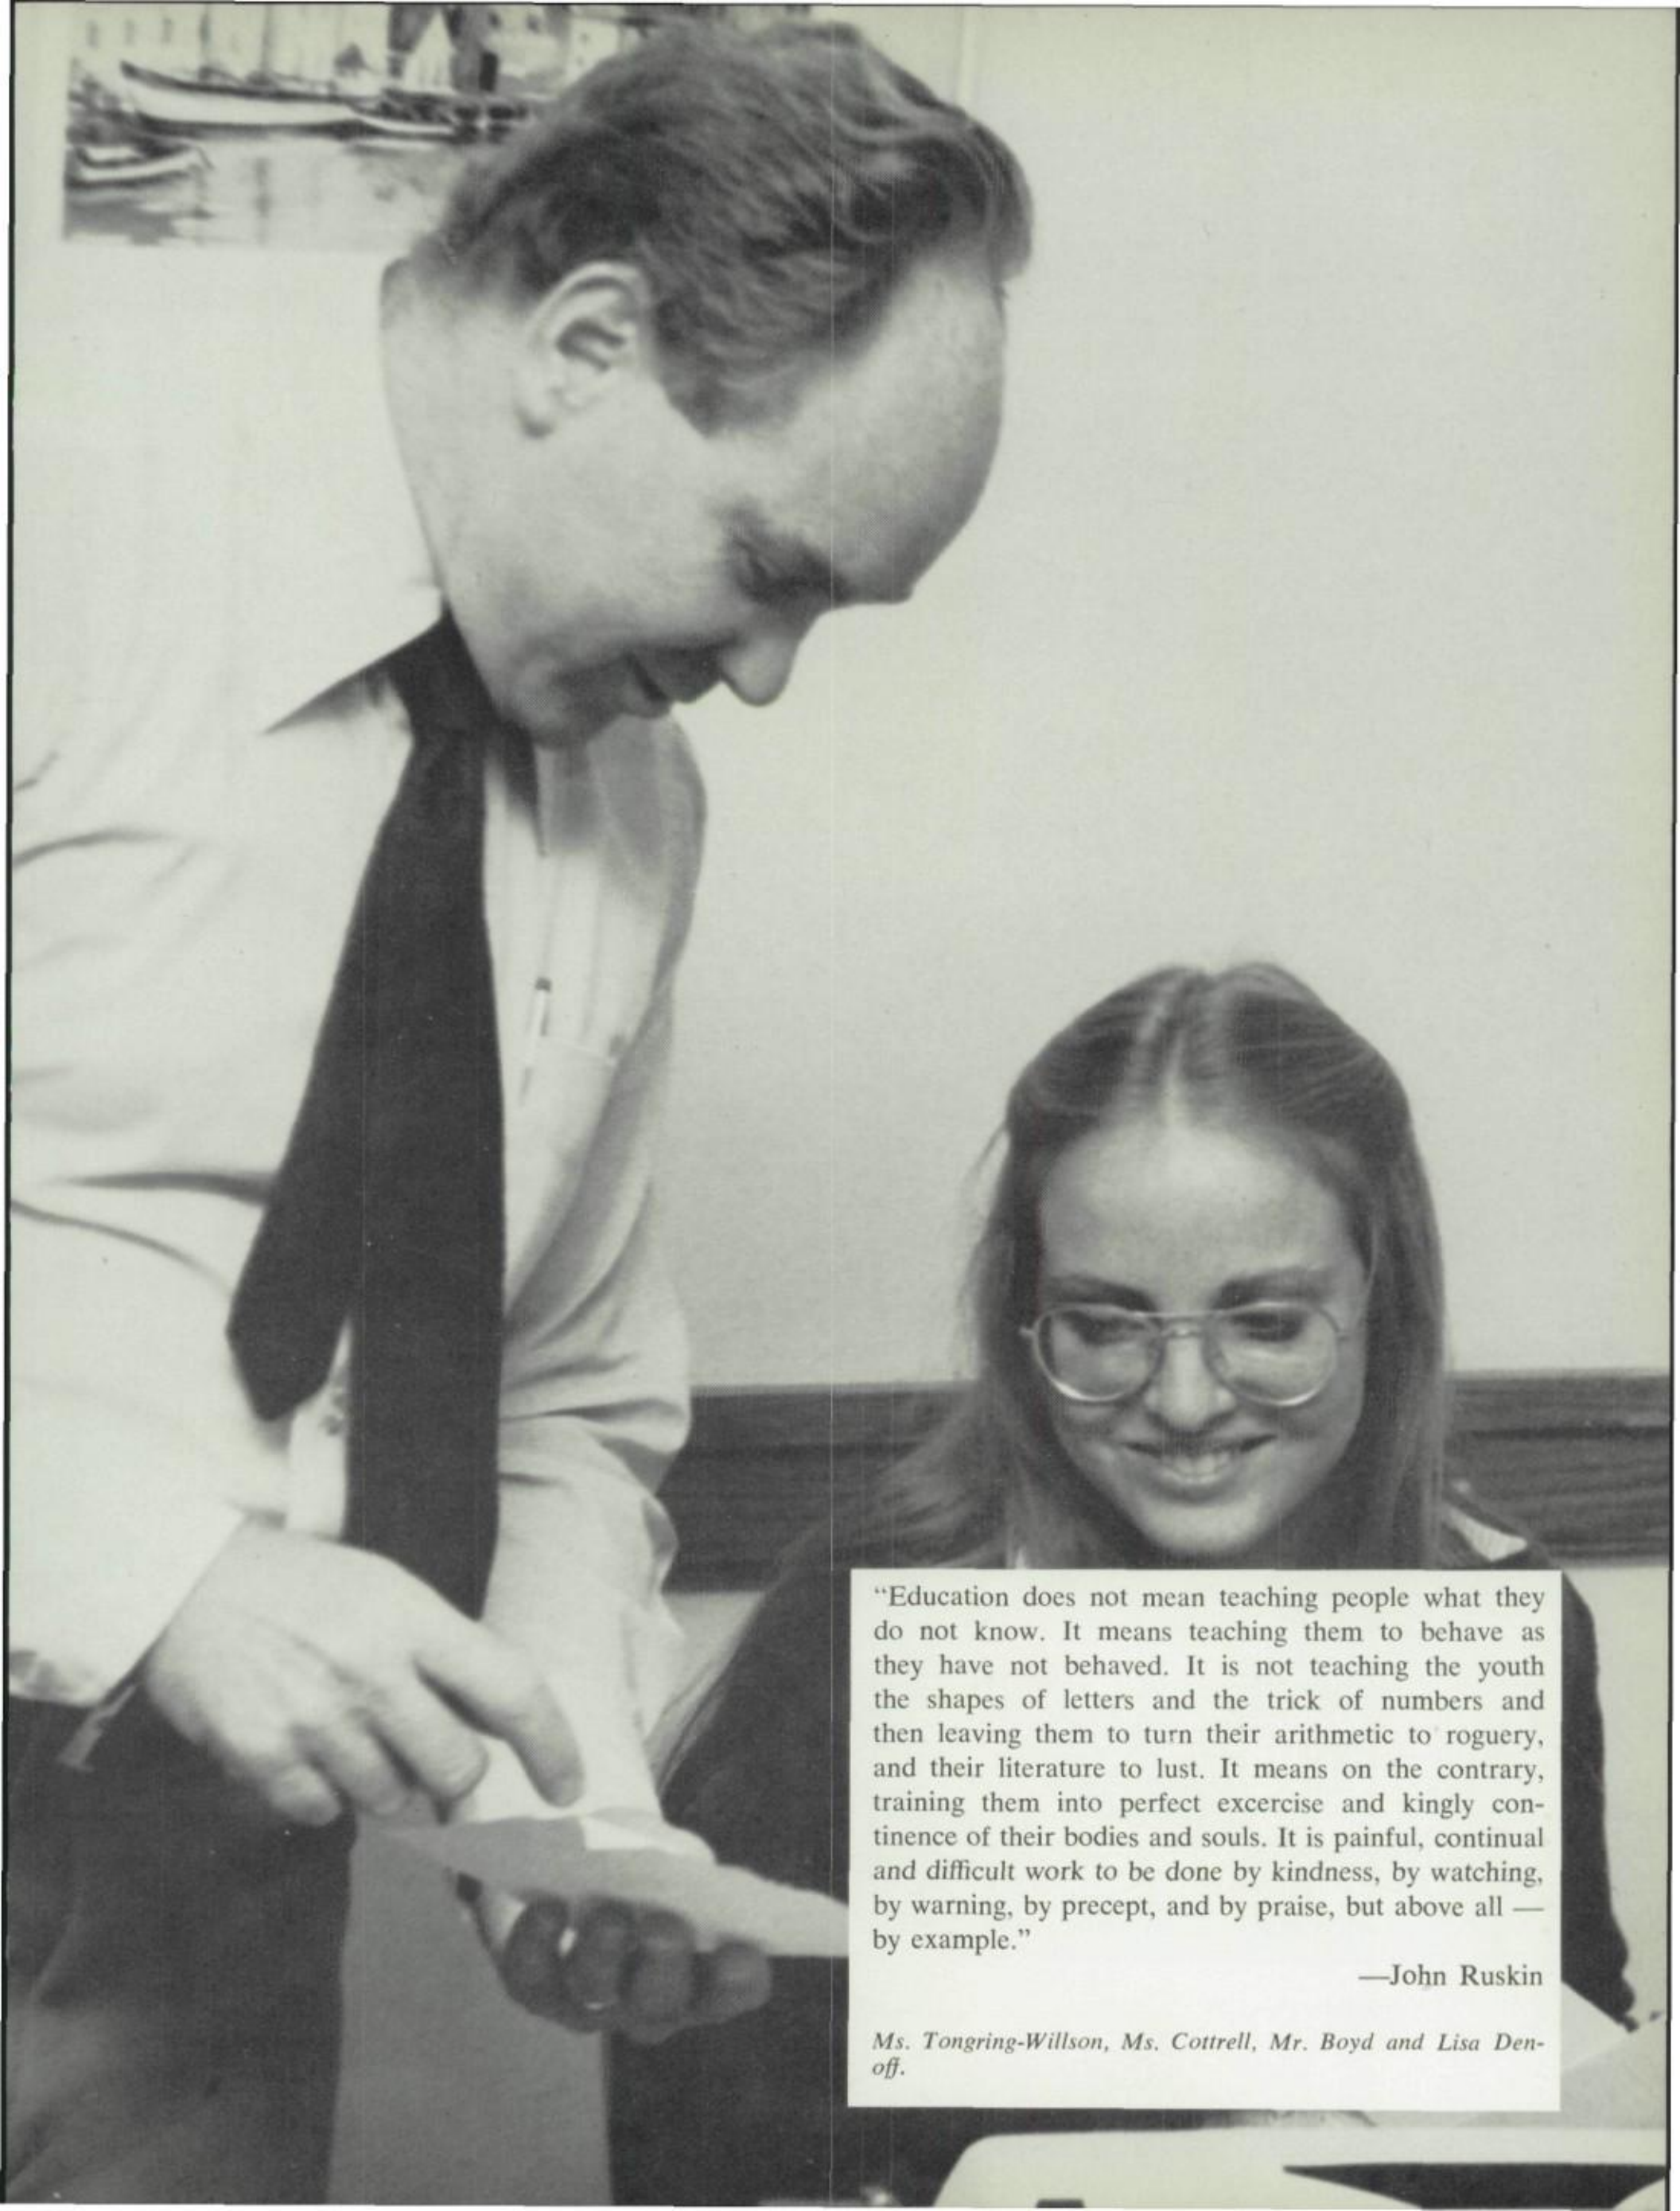
Faculty



"Education does not mean teaching people what they do not know. It means teaching them to behave as they have not behaved. It is not teaching the youth the shapes of letters and the trick of numbers and then leaving them to turn their arithmetic to roguery, and their literature to lust. It means on the contrary, training them into perfect excercise and kingly continence of their bodies and souls. It is painful, continual and difficult work to be done by kindness, by watching, by warning, by precept, and by praise, but above all — by example."

Drama Club

This years' spring musical was "Carnival". It was performed by the Drama Club on March 31 and April 1 and 2. The story takes place at a carnival in Europe shortly after the turn of the century. There, an innocent young girl, Lili (Diane Brunsdon) wanders around in search of employment. Her love is sought by a lame puppeteer, Paul (Tim Morgan) and a magician, Marco (Ron Roy). Other lead parts were played by Jill Cater, Dan Brady and Greg Bart. Circus performers, chorus members, orchestra members (conducted by Mr. Perkins), and the many people working on the various technical crews also were involved.

"Oklahoma" was the Drama Club's 1976 spring production. It was shown on April 1, 2 and 3 last year and was well liked and successful. It was the school's first musical in six years. The main actors were: Pat Alkon, Tony Brown, Jill Cater, Richard Goodwin, Becky Harreld, Loni Pryce, Tim Morgan, David Ritchie and Ron Shaw. In addition there were dancers, fighters, a chorus, a stage crew and an orchestra. The supervisors were; Mr. Quesnelle, Ms. Whalin, Mr. Parker and Mr. Hartsoe.

The Drama Club has done it again, this time in the form of a serious drama entitled "Look Homeward Angel."

The play was directed by Ms. Whalin and Mr. Quesnelle with stage manager Lisa Reno. Student Director was Cindy D'Arca. A total of 65 drama club members took part in this production.

The play takes place in the early 1900's in a Southern town. The main characters are the members of the Gant family who each have their own dreams of what they wish to be.

Eliza Gant, portrayed by Diane Brunsdon, is the mother and provider of the family. She owns and runs the dilapidated boarding house in which the family lives.

Her husband, portrayed by Greg Bart, is a marble carver who is a bit too fond of his liquor.

The plot revolves around the emotions of the family and has a very tragic ending. It was a brilliant job done by both the people on the stage and those behind it.

Tim Morgan realizes that life isn't all smiles.

Melanie Duncan looks fondly into the eyes of a shy Tim Manser, but the most colorful things are in his stomach — butterflies.

Choirs Sing Their Way Into Our Hearts

The Winter Concert was as successful as ever thanks to the superb directing of Mrs. Balmer and Mr. Hartsoe. Mrs. Balmer directed Girls Choir for the second year and they're improving everyday. She's responsible for the dancing girls, from Girls Choir, who made a delightful addition to the program.

Mr. Hartsoe again directed Mixed Choir and A Cappella. Freshman Choir was so large that Mrs. Balmer had to take some of the overflow and help them get together. All of the Choirs did a commendable job and look for a busy year to come.

The Band Marches On...

It was a year of change for the 113 members of the 1976 Marching Band. Along with a new director, Mr. Richard Perkins, came a new style of marching called Corps Style. He combined it with the already unique Dondero style to make some quite impressive halftime performances.

Aside from marching at halftime the band engages in many other activities. The Sixth Annual South Eastern Marching Band Festival was held in October. It displayed six other schools and a large variety of marching styles. All of the hard work in making the Festival successful was well worth the effort as it proved to be even better than last year's.

The band also competed at the Bridgeport Competition and, as always, did a fine job of representing our school.

The band, led by Mr. Perkins, Mr. Winter, and Drum Major Jim Waisanen, should be commended for a job well done.

Orchestra Is in Tune With the Times!

This year, with their audible talents, the members of the Chamber and Symphony Orchestras were combined to produce the multiple talents for their successful season. Together with these efforts, the selected members of the orchestra used their ability and played not only three concertos (solos) but a number of classical pieces as well.

The Annual All-City Orchestra Concert was held in April with the Spring Concert following in June.

What the Mind Dreams...

Dondero's art and craft students, with their skills and creativity, enrich their minds and continue to beautify the school.

Under the instruction of Mr. Fischer and Mr. Retell, students learn art theory, clay figuring, paper mache, pottery, sketching and more.

The students' artwork is displayed in a showcase shared by all classes. Samples of artwork from each class go on display from time to time, to show everyone what projects are being learned.

Art and craft classes enhance a student's ability to become aware of and create the dreams inside his mind.

'77 POP CONCERT "Jams" Auditorium

The 9th Annual Pop Concert was (as usual) a sell-out. There were eight talented soloists that performed with two encores. The Acapella Choir performed approximately twenty songs which were popular hits of the past few years. There are about sixty people in Acapella and the director, Mr. Hartsoe. The band director, Mr. Perkins was also a huge help in directing the orchestra and the choir.

Including the Pop Concert Orchestra and lighting crew, the Pop Concert involved over 100 industrious people and countless hours of hard work. But, it was worth it all.

Are a Bustle of Activity

We caught you daydreaming during the Spanish Club meeting, Renee Johnson! (Photo by Chris Blaser)

Dondero's three Language Clubs were very active this year.

Spanish Club members kept busy with many fund raisers. Bagel sales, raffle tickets, and candy sales all were big money earners. Profits from these sales contributed to a Christmas party and lots of fun.

Highlights of the year for the German Club included horseback riding, Christmas caroling, and dinner at the Little Cafe (a traditional German restaurant). Their main fund raiser was candy sales.

25 members were admitted into the French Club by an initiation held at Yates Cider Mill. Other activities included horseback riding, a hayride, and dinner at a French restaurant. Money was earned through bake sales and selling candy bars. The French Club proudly claims that they have more members this year than ever before!

Homecoming just wouldn't be right without an appearance from the Oakettes. The Oakettes are a group of girls who do dance routines. Besides dancing at Homecoming, they danced at basketball games too.

They also did outside performances at convalescent homes, schools, churches, and there is also a competition dance. When they do outside performances they are done with an accompaniment. Ms. Roosa is their sponsor.

The Juniors show off their second place float.

This year Homecoming was filled with more exciting events than ever before. Set to the theme of the 50th Anniversary, the traditional parade started off the activities with the Marching Band leading the way. The Oakettes made their season debut to music played by the band. Before the second kick off the winners of the floats were announced. 1st place went to the Sophomores, 2nd place to the Juniors, 3rd place to the Freshmen, 4th place to the Seniors, and 5th place went to the German Club. The game was made complete with a 35-14 victory over Birmingham Groves.

The Homecoming festivities did not end at the countdown. Student Senate and the Senior class cosponsored a Semi-formal which took place the following Saturday night. Nathan Dixon was named the very first Homecoming King and Pamela Riley was crowned the Queen for 1976-77. As the dance ended, so did a fun filled weekend for students and alumni alike.

"Dancing is the art of pulling your feet away faster than your partner can step on them," explains Paul Risberg to Jody Sherwin at the Semi-formal.

The Oakettes spread their joy in the Homecoming parade.

As any informed Donderoite knows, the Student Senate is a constant buzz of activity. This year Student Senate kept busy with a wide variety of activities — old and new. Along with the traditional Homecoming Parade, they initiated a new tradition of the Homecoming Semi-Formal, co-sponsored with the Senior Class. The annual exchange days, and aftergame football dances were complemented by the start of a Guest Speaker Series for the student body and the designing of a much-needed Student Handbook for incoming freshmen. Other activities included a canned food drive, disco dances after basketball games, a spring semi-formal and planning for the 50th anniversary with the school committee.

Forestry Clubs Foster Social Life

One of the largest groups in the school is the Girls Forestry Club, with forty members.

The girls had a lot of fun this year. They were very busy holding numerous sales to raise money. They also went horseback-riding.

For each Holiday they try to do something to make that day more meaningful. For instance, at Thanksgiving the girls had a Turkey raffle, at which two turkeys were raffled off. And at Easter they sold Chocolate Bunnies, then passed them out with messages attached.

They held a progressive dinner over Christmas vacation; at such a dinner, the courses are served at different houses. In this instance they had five places to travel to for their dinner. They had a lot of fun, and a lot of food!

To top it all off, they ended the year with their annual weekend canoe trip.

The club is geared to going places, meeting people and having a lot of fun doing it!

"Stand up for what you believe in," says Beth Kenny. (photo by Chris Blaser)

The Boy's Forestry Club is an active group, with the help of advisor Mr. Pishko. The President of the Club is Jim Riehl, Dan McClory is Vice President, Jim Hagley is the Secretary, and Rick Miner is the Group's Treasurer.

The Club sells programs at all home basket-ball Games. They went on a ski trip over the break directly following mid-term exams. They had a lot of out-door fun on this trip and would like to plan another one in the future.

The Club likes to spend a lot of time outside, so they plan their expeditions to include a lot of out-door activity.

Pep Assembly Promotes School Spirit

Juniors show they've got the spirit. (All photos by Chris Blaser)

Sophomores win for enthusiasm.

All the cheerleaders join in to demonstrate a mount.

During the week of February 7-11, the student body participated in Spirit Week. The activities included were: Blue and White Day, Crazy Hat Day, Crazy Sock and Tie Day, and Fifties Day. Almost everybody dressed accordingly at least one of the days, and some even did it for all of them. On the last day, which was the Fifties Day, a pep assembly was held. The Sophomores placed first in a contest to see who had the most school spirit. Five people were selected to try and make a basket, only one of them succeeded. Everybody had a lot of fun and with the help of the Pep Band, raised the roof of the School with a loud chorus of the school song.

Pep Band gets the crowd going with a rousing rendition of the "school song".

With the help of our time machine, we snapped this photo of Doug Carter back in the days of Rome.

One of the major highlights each year is the Christmas festivities that fill both the halls and the hearts of Dondero. Christmas yummies, mistletoe, and candy canes were sent to and from friends and lovers. Classrooms reflected the spirit with decorations and paintings of holiday scenes. The Girls' Forestry Club joined in the merriment by holding their annual Christmas Progressive Dinner. Our student-operated retail store offered poinsettias for sale. The Child Development classes threw a party for young children and our choirs made it all worthwhile with music that raised the roof. The Yuletide season took on much more meaning as everyone was struck with the Christmas spirit!

After only one year of filmmaking classes, this year's students put together their knowledge and enthusiasm and created the Cinema Camera Club. Their first year activities included preparing slide programs, studying camera techniques, and attending the Youth Film Forum. The sponsor of the CCC and the teacher for film-making classes is Mr. Rockwell, who finds time for these projects as well as sponsoring Student Senate.

The Ski Club made several trips to Mount Holly this year under the supervision of Mr. Diebel and Mr. Hursh. Members boarded a bus immediately following the school day and returned some time after 10:00 p.m. Equipment was both privately owned and rented at the slopes. All in all, members and sponsors alike enjoyed the snow and the opportunity to ski as a group.

Homecoming's Not Like It Used To Be!

"A smiling face is an earthlike star." Smiling sweetly (left to right) are last year's queen, Darlene Abraham, Kelly Welch, the 1976 homecoming queen, Pam Riley, Judy Rehner, Peggy Armstrong and Karen Barnes.

The 50th Anniversary Homecoming was not only a celebration of traditional events, but also the beginning of new ones. One of these was postponing the announcement of the Homecoming Queen until the night after the game at the Semi-Formal dance. This was done because of another new tradition, the Homecoming King. Thus the excitement of Homecoming was extended another day. The Semi-Formal drew a large crowd as everyone wanted to know which two seniors would be crowned. Out of a lovely and handsome court including Peggy Armstrong and Dario Benedetti, Karen Barnes and Greg Wiechec, Judi Rehner and Bill Cunningham, Pam Riley and Nathan Dixon, and Kelly Welch and Jeff Daws the Senior Class bestowed the honor of Queen and King upon Pam Riley and Nathan Dixon. The Homecoming of 1976 was truly a time to be long remembered by the class of 1977.

Our Officers Lead the Way!

Back in January of 1976 the Class of 1977 elected as their class officers: President; Dan McClory, Vice-President; Randy Roy, Secretary; Renee Bossenberry, and Treasurer; Dan Lesher. With the resignation of Randy Roy in January of 1977, the senior class elected Anne Dusenbury as Vice-President.

Since their election the Senior Class Officers have been working hard to make this year one of good memories for the class of 1977. They have succeeded!

Advisor, Mr. Henry Pishko and the Senior Class Officers; Dan McClory, President; Renee Bossenberry, Secretary; and Dan Lesher, Treasurer; await judgement.

Dedicated Renee Bossenberry gets caught up in her work.

LEFT: "The thinking man is always striking out something new!" Dan McClory, President.
BELOW: "Good leaders never follow." These officers blazed a good trail.

Randy Roy carried out the duties of V.P. until his resignation.

Renee Bossenberry takes dictation from Dan McClory, "the boss".

"The conscience of well-doing is an ample reward." The 1977 Senior Class Officers surely must experience this feeling.

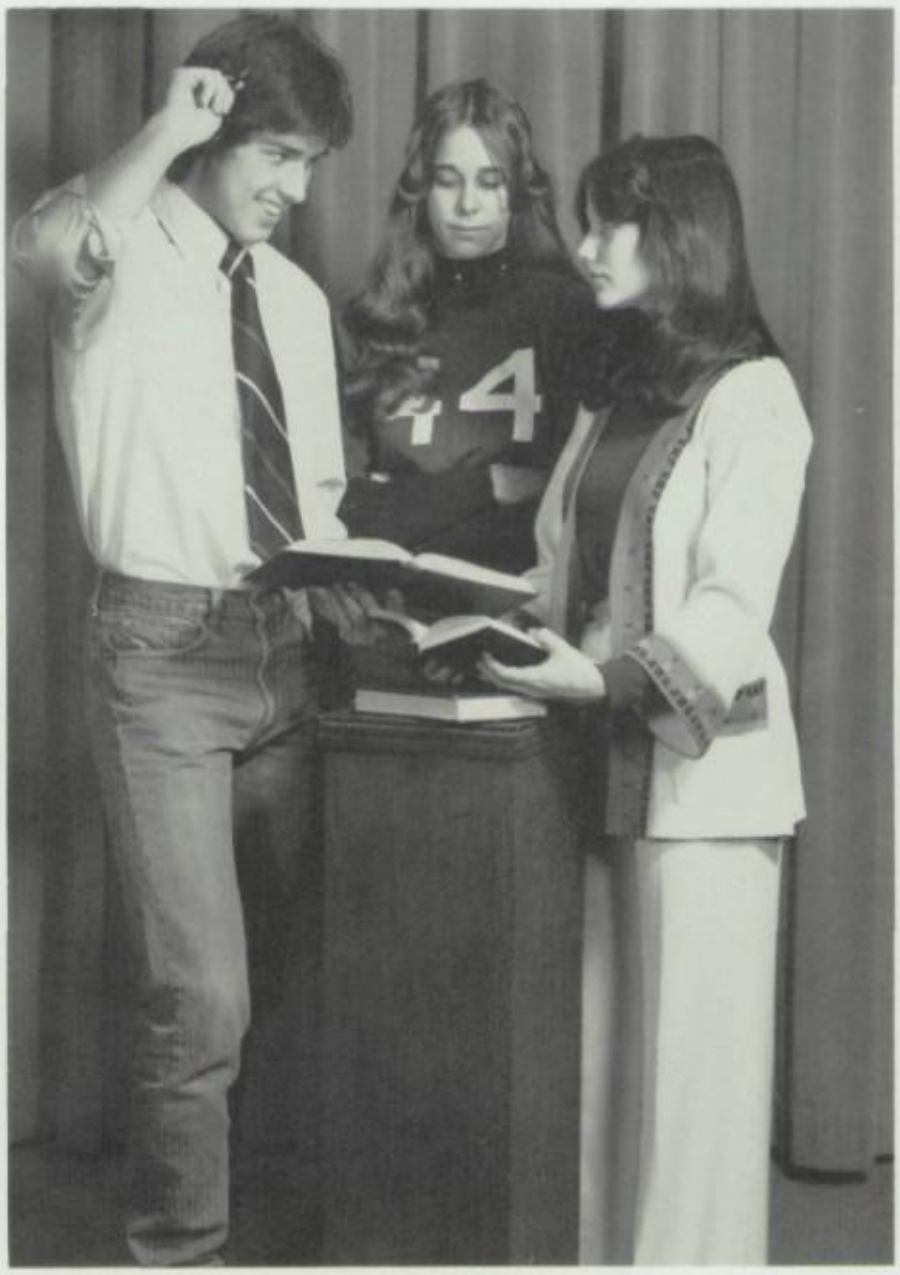
Mock Elections

The following are the winners of the Sr. Mock Elections: Most Eligible Bachelor, George McKenzie; Best Dressed, Lisa Savino and Jeff Daws; Guys with the muscle beach build, Nathan Dixon and Greg Wiechec; Class flirt, Cathy McPartlin; Best Salesman, Dan McClory; Most involved in school activities, Jean Kenny and Dan McClory; Most Athletic, Sandy Bailey and Jeff Daws; Most unusual laugh, Sandy Mills; Class Clown, Doug Carter; Sweet Young Thing, Judi Rehner; Most appreciative of feminine beauty, Rick Hill; Whistle Bait Figure, Laurie Sherlock; Best All-Around Personality and Most Amusing Sense of Humor, Dario Benedetti and Kathy Dopp; Most Spirited, Kathy Dopp, Dario Benedetti, and Janet Bondar; the cutest couple, Pam Riley and Jeff Daws; Future Ms. America, Pam Riley; The guy we'll never forget, Dario Benedetti; the girl we'll remember the most, Jody Sherwin; The Most Easy Going, Joe Charette; The best smile, Doak Ashcraft and Peggy Armstrong; the prettiest eyes, Mary McCulloch and Al Miller; the most beautiful hair, Diana May and Rick Miner.

ABOVE: George McKenzie thumbs through his little black book as Lisa Savino tries to see how many stars are by her name.
BELOW: Cathy McPartlin enjoys feeling Greg Wiechec's muscular arm.



Dan McClory tries hard to sell his newest idea, but Sandy Bailey and Jean Kenny don't seem to understand his meaning.

Sandy Mills, the girl with the most unusual laugh, gets a major chuckle out of Doug Carter as he displays a few of his many clowning techniques.

As you can see, Rick Hill seems to be very appreciative of the feminine sweetness of Judi Rehner and the whistle bait figure of Laurie Sherlock.

Here Are More Mock Elections!

Kathy Dopp finds humor in the story that Dario Benedetti tells her and Janet Bondar.

"Smiles come from the soul; they are a true expression of joy and love." Smiling beautifully are Doak Ashcraft and Peggy Armstrong.

"True success lies in knowing that failure is always possible." But Tim Ryan and Cindy Koledo don't even know the word exists.

I doubt that Joe Charette (Most Easy Going) will ever forget Jody Shedwin and neither will we!

ABOVE: "Oh the words you can save by saying it all with your eyes!" Mary McCuloch and Al Miller say it with their pretty eyes.

Powderpuff Game Proves To Be Fun!

BELOW: This play is called mass confusion as the Juniors and Seniors try to find who really does *have the ball.*

The Powderpuff game was played on a cold and windy October 13, after weeks of preparation by both teams.

Aside from the players themselves, the game was made possible by many others including officials, the Senior class officers and the coaches of both teams. A special thanks to the Senior coaches: Jeff Otto, Dan McClory and John Wines as well as to Junior coaches Jeff Wright, Dan Stark, Mike Whyard, Steve Taylor, Robert Luke, and Joe Hawlik.

Although the Juniors won 12-8, in a decisive battle, both teams came out ahead from the experience of good sportsmanship!

Coach John Wines watches the game with intense interest.

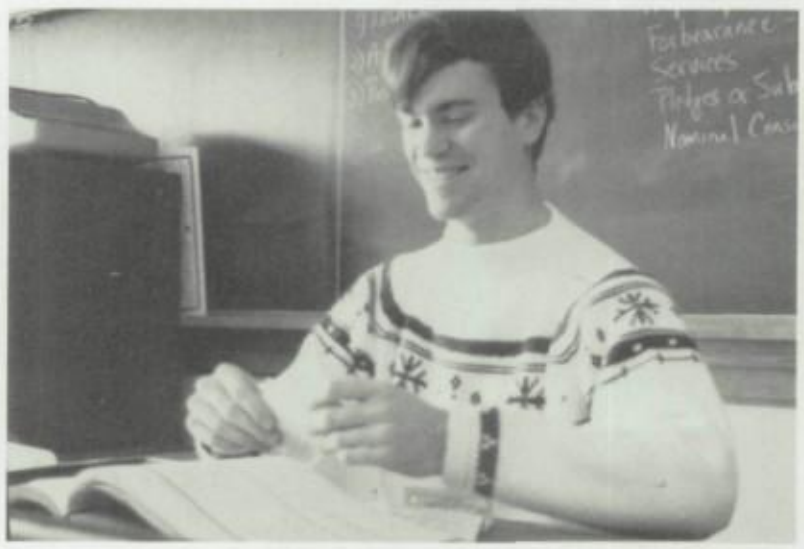
Senior Trip Is a Fun Experience



Senior Class Treasurer Dan Lesher, likes taking care of the financial arrangements for the trip.

All through the cold winter, many seniors anxiously awaited Easter Vacation so they could soak up the sun in Freeport, Bahamas. Ninety-five seniors and four chaperones departed from Metropolitan Airport on April 12, 1977 and returned April 18. While in the Bahamas, they stayed at the Princess Inn, right by the beach. The days were spent in the sun or at the various shops and maybe some touring of the island, while the nights were spent just having a good time. To make the students feel more at home, students from Ferndale and Shrine were staying right across the street. Everyone that went had a very enjoyable and memorable time.

Preparing yourself for the bright lights of the Bahamas, Kathy?

Four years ago when we came to Dondero we fell victim to older and wiser students who kindly told us that the swimming pool was located on the third floor. And, as naive as we were, we ran up the continual flights of stairs to find the rest of our gym class. Over the years we have challenged you, laughed with you, learned from you, and now we must leave you.

As seniors, we have shared many experiences that no other graduating class has known. We have climbed a ladder. Straining and pulling and, finally, reaching the rung above, but just when we thought we had reached a comfortable place, it seems that we must fall (actually we have just found a higher step). The real question is not how high you climb or how fast you arrive, but that you are climbing.

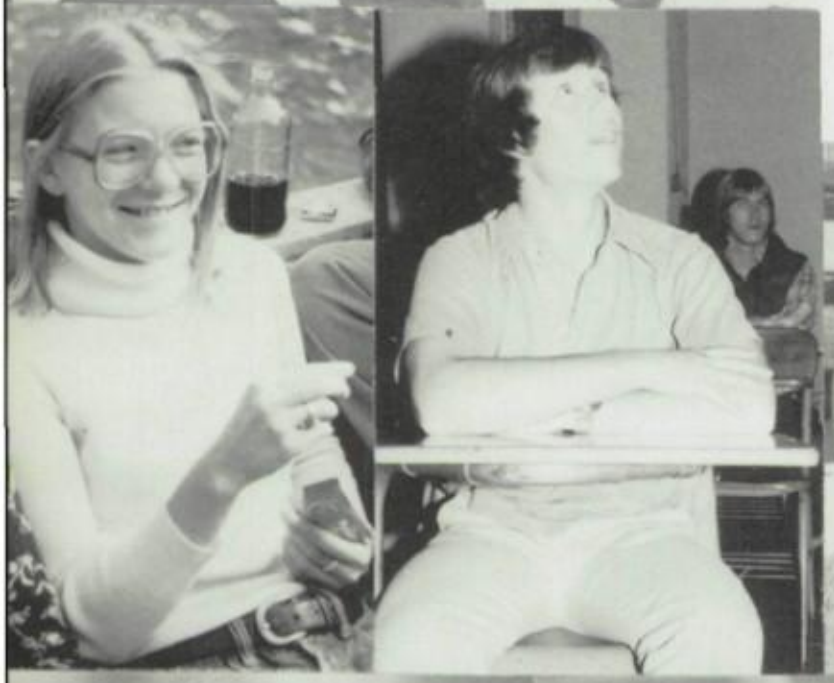
Old Days, Good Times I'll Remember

The years ahead will determine our future. It will never again be the way it is now. But our memories of this time will always be with us—

Of smiles and laughter,
Of frowns and tears.

There is no greater gift than a happy memory.

Thanks, for the Memories!



Fun Days, Days I'll Always Treasure

Friends, I will remember you,
Think of you, Pray for you,
And when another day is
through,
I'll still be friends with you!

The 1976 Varsity Baseball team suffered a disappointing season. The team had real togetherness and played many tough games. With the loss of seven seniors including M.V.P. Bernie Fratt, the team still has many returning starters. The Oaks predict a more successful season.

Varsity Softball Team Finish Third

The softball team had a fairly successful season. With a record of 7 and 6 the girls finished 3rd in the league. Two players made all-league, Cathy Lincoln and Renee Cottrell. Cathy Lincoln was also the captain and Renee Cottrell the team's Most Valuable Player. This was Coach Beresh's fourth year of heading the team. The softball team was comprised of many freshmen so the team should have depth for many years to come.

Cathy Lincoln waits for a late throw.

Perfection. That one word can be used to describe the 1976 Dondero Varsity Football Team. For the first time in 41 years the football team went unbeaten and untied in all nine games. The Oaks also captured their fifth straight M.S.A.A. title.

This "rebuilt" team, with only three starters returning from the once beaten 1975 team came of age fast. Senior leadership was clearly evident as 12th graders started in 20 of 22 positions.

The team unity exhibited by this year's squad produced many collective awards. To name a few: they were the second-ranked team in the state by The Associated Press, Detroit News, and Detroit Free Press, number one in Metro North, Oakland County, and The Daily Tribune's 'Area's Best'. Eight individuals received all-league recognition.

A major reason for the team's success was the coaching staff. Headed by twenty-year veteran Ivy Loftin, the Dondero coaches have done tremendous jobs with the personnel available.

In retrospect, the accomplishments of the 1976 unbeaten varsity football team will always rank prominently with other noteworthy achievements bestowed upon Dondero High School.

The JV football team had a good season in 76, as the team improved its record to 6 wins and 3 losses (after a freshman season of 2 wins and 5 losses). The players showed steady progress throughout the year, and just missed winning the league championship by the narrow margin of a missed conversion against Groves. Dondero's strong defense allowed only one team to gain over 200 yards in a game. Players to watch in the future include Curt Clary, Dave Quarters, Nick Daws, and Mark Combe.

Oak Harriers Are M.S.A.A. Co-Champs

The 1976 Varsity Cross Country Team captured the first M.S.A.A. league title ever for Dondero. This was accomplished by combining an undefeated dual meet record of 4-0 and a second place league meet finish.

Junior Co-Captain Ron Lessard (MVP), suffered through an injury riddled season, but not until after he had broken the varsity 3 mile record with a time of 15 minutes and 25 seconds.

Other key performers were seniors Mark Pugsley (co-captain) and Dave Hixon; along with supersophs Brian Ferguson, Mike Lasley, and Mickey Chatterson.

With returning MVP Lessard and the strong nucleus of sophomore talent the 1977 team, which will be under the direction of veteran Coach Emmett Evans for the fifth straight year, looks to another championship season.

Swim Team Produces a State Champion

The girls swim team had a good season. They placed 4th in the league meet, winning three events. Five people qualified for the state meet. M.V.P. Julie Stevenson became State Champion in the 200 and 500 free-style, setting state records in each. The team loses only three seniors Co-Captains Sue Northrup and Janine Opdycke, and breaststroker Jeanne Smullen. Looking forward to next year they should have a better season. They will also have a new coach as Mrs. Quenneville is retiring.

Several "firsts" in girls sports took place this year, and the addition of a girls gymnastics team at Dondero was among them. In their first year of varsity competition with other area schools, the gymnasts, composed primarily of underclassmen, compiled a commendable 0-8 overall record. Under the direction of Coach Susan Mihalko and co-captains Sharon Born (senior) and Kathy Klingensmith (junior) along with senior Jan Clark, the team qualified several individuals to perform at State Regional Tournament, facing some of the stiffest teams.

For the first time ever the Girls Basketball teams were instructed by male coaches. Varsity Coach Mr. Barich and J.V. Coach Mr. Boyd both did commendable jobs with their respective teams. Captain Sandy Bailey and M.V.P. Nancy Larke led the young Varsity Oaks to a 3-12 won-lost record. The J.V.'s finished 2-12.

The 1976-77 boys varsity basketball team compiled a 5-15 won lost record, under the direction of five-year veteran, head coach Jerry Barich. Serving as tri-captains for the Oaks were seniors Doak Ashcraft (leading scorer), Gary Fralick, and Jeff Daws. Players to watch for next season include juniors Dan Stark (center), Steve Taylor (guard), and Phil Decker (forward).

Despite the Oak's losing record, three players distinguished themselves as top competitors. Ashcraft averaged 15.3 points per game, and ranked with the leading seniors in Oakland County, while Fralick and Daws proved to be one of the best one-two guard combinations in the league. Head statistical analyst and equipment co-cordinator Rick Miner, a senior now in his third year as student manager, also did a very commendable job.

Dondero's J.V. basketball team closed out the season with a 6 - 13 record, led by the performances of John Boyd, Curt Clary, Scott Harris, and Mark Combe. The J.V.'s were coached by Mr. Bob Eberhardt, and Richard Bailey served as student manager.

Swimmers Plunge Into Successful Season

Mike Grossmueller splashes water in his face.

This year's swim team performed well. This is the first year since 71 that the team had a better win than loss record for the year. This year two varsity records were broken, one by Sophomore Lorne Wolfe who beat the previous 200 IM by almost 3 seconds. And the sec- was by Senior Matt Barber who broke the Diving record by 22 points. Although the team will be losing seniors Tim Ryan, Russ Burks, Bill Allard, Matt Barber, and Mike Grossmueler, they will still have young talent such as Dave Miller, Lorne Wolfe, Andy Greene, and Ron Peludot. So next year's team has good prospects.

Either we are winning or the meet hasn't started yet, as you can see by the jolly look on Coach Stevenson's face.

The Junior Varsity had a league record of 5 wins and 3 losses. Senior Janet Bondar was the captain of the varsity spikers while Diane Noonan and Kathy O'Rourke acted at captains for the J.V. Coach Swanson is looking forward to the coming season as he has only one graduating senior on his squad.

The purpose of Cheerleading is to support athletic competitions. The girls who take on this task spend many hours preparing for the games. Practice starts on the spring of the previous year and goes all through the summer. During this time, all squads attend cheerleading camp. The Varsity Football and Basketball squad took 2nd place, winning 10 ribbons. This qualified them for national competition, where they placed 19th. Kim Robertson took 2nd place individual at camp, 10th in national competition. The Varsity Swimming and Wrestling did a fine job, winning numerous ribbons. Aside from cheering at our games, the cheerleaders have also cheered for the Detroit Lions and U. of M.

The 1976-77 edition of the Mighty Oak Wrestling Team compiled a 6-6 over-all record and finished as runner-ups in M.S.A.A. league competition. Mr. Fred Fuhr, now in his eighth season as head coach, guided the Oaks to a 3-1 league record, and received strong performances from seniors Steve Akel and Mark Harris (co-captains), along with Dario Benedetti, Gary Rochon, and Bill McCavey.

Promising sophomores include Wade Gravlin, Dave Glick, and Stan Babinski. Rochon and Gravlin qualified through the District Tournament to participate in the State Regional competition. Because several inexperienced underclassmen wrestled in the majority of the weight classes this past winter for the Oaks, hopes are high for a very successful season in 1977-78, as many letter winners will return to strengthen the squad.

Business Classes Prepare Students For a Career

This year there are over 1000 students in Business classes, with ten teachers teaching a variety of these classes.

For the first time ever there is a class called "Careers in Business" and it is offered to all 9th and 10th graders. This class lasts one semester and is Dondero's newest addition to the Business Department.

A goal of the Business Education Department is for students to develop personal characteristics acceptable in a business environment.

The Placement Office has a computerized job list which is posted weekly for students to check on jobs. Also there are Office and Retail Co-op Programs which are available for seniors who want jobs.

Some of the business classes offered are Office Machines, Typing 1 & 2, Advanced Typing, Personal Typing, Notehand, Shorthand 1 & 2, Recordkeeping, Accounting, General Business, Retailing, Office and Distributive Education Co-op, and Distributive Education 1 & 2.

Home Ec. Brings Smiles

Home Economics is designed to help prepare students cope with their future. There are various types of subjects offered for each grade level. Subjects are covered in such courses as sewing, foods, Consumer Economics, Family Life and Child Development. In these classes you can learn nutrition, clothing, child care and raising a family, budgeting, and the way to solve problems you may run into.

Art Can Be Expressed With Machines Too

Industrial Arts teaches students how to use their hands as well as their minds. The department, headed by Mr. Jaskae, contains six teachers and involves more than 500 students. When a student first starts out in Industrial Arts, he takes a class in one of three basic areas: Machine Shop, Wood Shop, or Mechanical Drawing. From there he progresses into more advanced classes such as Residential Construction, Architectural Drafting, Graphic Arts and Power Mechanics. All the courses are geared toward giving students skills they can put to use in future careers.

"Anything You Want to Be" is a club that was organized early in the school year by some faculty members that saw a need to make students aware of the job opportunities that are available to them.

Often the club brings in guest speakers that tell of the obstacles they themselves have had to overcome. Other times they have meeting that entail group discussions on topics such as the problems women face in job advancement.

One of the guest speakers was Linda Wright-avery from Channel 7 "Action News."

The library is filled with students interested in 2 communications speakers.

How To Get The Job You Want

There are many opportunities for job training within our very school. There is, for instance, a job placement office that will tell you of job openings and many times it can even set you up with an interview.

There is also the chance for students interested in careers to learn more about specialized fields of study, as in the Medical Careers Club. The MCC has traveled to Beaumont Hospital for a tour, an ambulance center, and to the Science Institute. They sponsored a blood bank in the Spring as well.

Co-op Puts Students

All office co-op students are employed by companies who are willing to train them in various aspects of office and business work. Employers pay the co-op students at least the minimum wage.

Students are evaluated by their employers so they may receive an office co-op grade on their report card. They also receive one unit of credit for being on the program for the year and, therefore, have one year of supervised work experience on their record as they graduate.

Students Display Talent and Style At Their Own Fashion Show

On January 14 the Sewing 3 classes put on a fashion show in the auditorium. The show was called "Fashion Freedom" as the students made and modeled casual clothing. The students were also involved in making arrangements for the show's flowers, programs, decorations, and invitations.

Vocational Foods Students Learn Through Experience

Vocational Foods is a two-year program for students interested in hospitality and food careers. The students have two hours of laboratory experience and one hour of instruction related to foods theory.

During their senior year, students who take this class will attend school for a half-day and also work in supervised cooperative work training programs in local food service establishments the other half of the school day. While they are training they will be paid at rates customarily paid to beginning workers in the jobs they hold.

The program is housed at Helen Keller Junior High School.

Terry Rehe hammers a nail into place.

At Dondero and Kimball a Home Construction class is offered to students at both schools. This year they are building a two-story house on Vinsetta Avenue in Royal Oak, right next to the one they constructed last year.

The project begins in the beginning of the school year and runs until June. There is a morning crew and an afternoon crew that work on the house 3 hours a day.

Mr. Grady supervises the annual classes and helps to answer questions for students that find new problems insolvable.

Students Work Outside the School

With unemployment still a big issue, high school students are looking for a job and some of them get one. All grade levels search for a job to help them buy the things they want or save for college. Most of these students have only part-time jobs, because they are still attending school.

Students who are interested in taking Child Care, Machine Repairs, Cosmetology, Home Construction, or one of 27 specialized courses that is not offered in Dondero, are enabled to do so through a vocational education program offered to them called Seovec.

Seovec is designed for students in the 11th or 12th grade as long as they live in the Oakland County district. Its purpose is to prepare students for the future and to give them the necessary training required in a given field. There are 34 teachers involved in the program.

From the 28 different schools that participate in Seovec the school has a total enrollment of 15,080 students.

Juniors Are at It Again

Mark Simmons sure hopes that Mr. Eberhart isn't too serious about using that yard stick, because he doesn't know the right answer. (Photos by Chris Blaser.)

ABOVE: 'I know you're taking my picture, but I'm not going to smile," thinks Kerry Kirby.
BELOW: Patty Molick's mind isn't on her studies. But with that smile, what could it be on?

Jerry Philp has a very imaginative mind to keep himself interested in his work!

ABOVE: Cathy Belzinski gets a big kick out of the joke she just heard!
BELOW: What can Robert Luke see that could be so funny?

ABOVE: "Oh my, you shouldn't say such things," says Cindy Brinkel.
BELOW: "Hey! What's going on up there?" says Jimmy Courtis.

from the

STUDENT SENATE

I expect to pass through this world but once; any good thing therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now; let me not defer or neglect it, for I shall not pass this way again.

SWIMMERS IN SPEEDO® SUITS HAVE THE BEST TIMES

Speedo would like to show you a good time this year.
So we've designed a line of brilliant new print swimsuits.
In a wide range of skin-tight, air-tight, tough-wearing, fast-drying and meet-winning designs. More gold-medallists, record-breakers and the U.S. Olympic Swim Team have worn Speedo suits than any other make.
We want everybody who wears one of Speedo's new print swimsuits to go out and have a really good time.

Whom, then, do I call educated? First, those who manage well the circumstances which they encounter day by day and who possess a judgment which is accurate in meeting occasions as they arise and rarely miss the expedient course of action; next, those who are decent and honorable in their intercourse with all men, bearing easily and good naturedly what is unpleasant or offensive in others, and being themselves as agreeable and reasonable to their associates as it is humanly possible to be; furthermore, those who hold their pleasures always under control and are not unduly overcome by their misfortunes, bearing up under them bravely and in a manner worthy of our common nature; finally, and most important of all, those who are not spoiled by their successes and who do not desert their true selves, but hold their ground steadfastly as wise and soberminded men, rejoicing no more in the good things which have come to them through chance than in those which through their own nature and intelligence are theirs since birth. Those who have a character which is in accord, not with one of these things, but with all of them — those I maintain are educated and whole men, possessed of all the virtues of a man.

Isocrates

Charles F. Quick general store was on the southeast corner of Eleven Mile Road and Main Street in 1900. The second floor was the John Fowler's paint shop, and it was here that Royal Oak's first band held their rehearsals.

The title page is from a slide of the railroad track on the right ran parallel with the Pontiac interurban double tracks and Woodward Avenue. (1912)
